1		1	CHAIRPERSON ANTONIO M. ROMANUCCI: Good
2	SUPREME COURT RULES COMMITTEE	2	morning, everyone. I appreciate everyone's
3	PUBLIC HEARING	3	patience. As you can see, we are all in new
4		4	territory. Not just today, but certainly during
5		5	this COVID and pandemic crisis. So we appreciate
6		6	your willingness to join this meeting via
7	Report of proceedings at the public	7	electronic means as we're doing today. We're all
8	hearing of the above-entitled cause, before Tabitha	8	going to have to be patient because I think we may
9	Watson, an Illinois Shorthand Reporter, on the 24th	9	all you know, I've had my own technical problems
10	day of June, 2020, at the hour of 10:55 a.m., via	10	and we may all face some today. So we are just
11	Zoom videoconference.	11	going to have to exercise extreme patience as we
12		12	
13			get through this process today.
14		13	So my name is Tony Romanucci. I'm current
15		14	chair of the Illinois Supreme Court Rules
16		15	Committee. And we're about to begin.
		16	We're going to do our best to very
17	Personal hur Tabitha Water and and	17	strictly enforce the time limitations here. Not
18	Reported by: Tabitha Watson, CSR, RPR	18	only are we getting a late start, but we have a
19	License No.: 084-004824	19	very full agenda today. We have eight items that
20		20	we have to get through during the public hearing.
21		21	I believe we have 18 or 19 speakers. You know,
22		22	we're allowing you each ten minutes. Please use
23		23	your ten minutes wisely. You don't have to use all
24		24	of your time if you don't need to. You know, I'm
	1		3
1	COMMITTEE MEMBERS:	1	not encouraging you to use less time, but if you
2	ANTONIO M. ROMANUCCI, Chair JAMES D. GREEN, Vice Chair	2	don't need to, that's okay too.
3	PROF. KEITH H. BEYLER, Reporter AMY S. BOWNE, Secretary	3	So we've got a long day. We're going to
4	HON. JOHN C. ANDERSON	4	try and power through this and get through this
5	HON. CYNTHIA Y. COBBS JAMES A. HANSEN	5	without a break. Having said that, if anybody at
6	RICHARD HODYL, JR. HON. WILLIAM H. HOOKS	6	any time needs a break for any reason, either raise
7	JENNIFER B. JOHNSON STEVE H. KIM	7	your hand electronically or raise your hand so that
8	HON. MARGARET STANTON MCBRIDE	8	we can see you or send a chat and we will take a
	LARRY R. ROGERS, JR. MICHAEL I. ROTHSTEIN	9	-
9	STEVEN M. RUFFALO JONATHAN M. THOMAS	-	break. Other than that, you know, the plan is to
10	STANLEY L. TUCKER HON. FRANKLIN U. VALDERRAMA	10	try and get through this without.
11	JULIE A. WEBB JUSTICE THOMAS L. KILBRIDE	11	So without anything else, unless anybody
12		12	has anything else that they want to add from the
13	PROPONENTS :	13	Committee or Amy before we start, we're going to
14	HON. ROBERT MCLAREN ROY C. DRIPPS	14	begin with our first speaker on Proposal 19-14. So
15	DONALD PATRICK ECKLER HON. JAMES MURRAY, JR.	15	this is a little bit out of order and that is the
16	WILLIAM MCVISK	16	Honorable Robert McLaren.
	CLINT KRISLOV DONALD RAMSELL	17	If you are on the Zoom, Judge McLaren, are
17	BENNA CRAWFORD TIMOTHY EATON	18	you available? Judge Robert McLaren?
18	SETH HORVATH LAUREN RIDDICK	19	AMY BOWNE: I believe he's having issues with
19	DUANE SCHUSTER HON. JORGE ORTIZ	20	his sound possibly.
20	SAMIRA NAZEM	21	CHAIRPERSON ANTONIO M. ROMANUCCI: Do you see
21	PAT WRONA CONOR MALLOY	22	any video of him, Amy?
22	LAWRENCE WOOD	23	AMY BOWNE: It's blank. It's dark. I see that
23 24		24	he's on.

So there's no distinguishing that, those Rule 23 orders, the actual opinions that are classified as precedential. And Rule 23(c), I don't think is used. I mean, you know, you have a rule there</pre>

1	so I'm going to keep my comments brief.	1	they're not going to make the motion. Especially
2	As Judge Murray said, there's no need for	2	when you lose a case, you're not going to have
3	this rule anymore with additional case law. It was	3	something published. Insurance companies often
4	one thing when the expense of printing volumes was	4	don't want even a win published, because then it's
5	huge, the expense of purchasing libraries was huge.	5	going to be used against them. But I think it is
6	That's not such a big deal anymore.	6	fair if they are published.
7	I quess what I would talk about is the	7	One thing I would also add is just, I
8	practical impact that this has had on litigators.	8	agree with Judge Murray's comment that it probably
9	I can't tell you I think courts would be	9	needs to be done prospectively. We recognize that
10	surprised given the number of Rule 23 opinions I	10	a lot of the opinions or Rule 23 orders in the past
11	see, I think courts would be surprised at how often	11	may have been written differently if the court was
12	something that they have decided really does break	12	aware they were going to be precedent. And I think
13	new ground, even if it's with respect to the	13	given that, it would be not appropriate to have
14	application of facts.	14	them be citable by litigants prior to the time the
15	Most of my practice or a big huge part of	15	rule changes. If the court is making its decision
16	my practice is insurance coverage. And in	16	being aware that its rule would be cited, I think
17	insurance coverage cases, the thing that is most	17	it might write its opinions somewhat differently.
18	important in 90 percent of the cases is the	18	And I think that is something that has to be borne
19	application of specific policy provisions.	19	in mind by the Committee.
20	I can't tell you how often I have found in	20	We have offered some members of our
21	my research a Rule 23 decision which is the only	21	task force who were looking at this thought there
22	decision that is on point interpreting the policy	22	might be some utility to Rule 23 insofar as maybe
23	language that I've got. Now, if I can't cite that,	23	some decision shouldn't be precedential, but we all
24	that means that I can't tell I can't use that	24	agree that even non-precedential opinions ought to
